

January 2012

32nd
Annual
Fort Fairfield Chamber of Commerce
**Agri-Business
Trade Fair**

Greetings

I am excited to be inviting you to participate in the 2012 Agri-Business Trade Fair. With attendance close to 4,000 and weekend long radio coverage, we believe your business would benefit from the excellent exposure provided by our show. The Trade Fair committee has been working hard make the 32nd show really special. During last years' Fair, we surveyed the Vendors and overwhelmingly they asked us to change to a two-day show. This year's Fair dates are March 24th & 25th with both days beginning at 9am. In an effort to reinforce our agriculture roots, we will be joining with the University of Maine Cooperative Extension Service to offer farmers educational opportunities during the Trade Fair. At this time the topics are being planned and we hope to announce them soon.

We are pleased to announce that pricing for the exhibit space has remained the same, \$250 for the first 10' x 10' space and \$150 for each additional 10' x 10' space. This packet includes the following:

- ❖ Exhibit Space Contract and Registration Form
- ❖ Rules and Regulation for 2011 participation
- ❖ Show Advertising Form

The Exhibit Contract and Registration Form and deposit must be returned to this office as soon as possible, in order to secure your space.

We are looking for agricultural related demonstrations or informational topics to take place throughout the trade fair. If your business or organization would like to provide demonstrations or informational talks about your products or services please contact me. I look forward to working with you to create another successful event.

Sincerely,
